**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We need choices. Its not all about comcast and Att. Its similar to pushing out the mom n pop stores so the bigger corporations are able to move in as Home Depot, Lowe's, Target did. dominate the industry.

Keep Sonic, let them continue and go fiber optic. Let the customers make their own decision for providers. Comcast and ATT has gone far enough with dominating the industry.
